

and service of Paul Woods who celebrated his 98th birthday on February 20, 2021. Along with defying the average lifespan and despite segregation, Paul Woods fought for our democracy in the Pacific Theater of World War II. As we celebrate Black History Month, I think there's no better example of American courage than Buffalo's own Paul Woods.

Paul Woods was born in Alabama on February 20, 1923 in an era of racial oppression and segregation. When his father died, he and siblings were split at the gravesite among relatives. Paul Woods promised that he would raise his brother Sherman, and for the rest of his life "Daddy" has been taking care of people.

Paul Woods joined the segregated U.S. Army in 1941 when he was just 17 years old. He often says that "A bullet knows no race, rank, or status. We were all brothers on the battlefield." The bravery of Black units overseas belied their second-class status at home and helped lead to the abolition of racial segregation in the military in 1948 as well as the passage of the Civil Rights Act of 1964.

In 2012, Paul and 30 other World War II vets were flown to the World War II Memorial in Washington, D.C. Five years later, Wish of a Lifetime sponsored a trip to Australia where he visited the exact location of his service during World War II and was thanked by the U.S. Consul General. Today he is the World War II Coordinator for the Jesse Clipper American Legion Post 430.

After helping to protect the Philippines, Paul Woods moved to the Buffalo region where he worked 16-hour days at Bethlehem Steel to feed his growing family. From Alabama to Australia, teenage recruit to war hero, and segregated soldier to seeing the first Black president, Paul Woods' life has spanned continents, a world war, and the fight for racial equality. The father of 15 turned 98 on February 20, 2021 having seen multiple children and grandchildren serve in the same military his bravery helped to desegregate.

Madam Speaker, I am thankful for the chance to honor Paul Woods, a longtime Western New York resident who helped free the Philippines despite enduring injustice at home. A proud member of Prince of Peace Church of God in Christ in Buffalo and husband to the late Mary T. Woods, Paul Woods' 6' 4" stature is dwarfed only by his impact on his family, community, and country.

TRIBUTE TO BEN MONTGOMERY  
"A GOOD MAN"

**HON. DANNY K. DAVIS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 23, 2021*

Mr. DANNY K. DAVIS of Illinois. Madam Speaker, I rise to pay tribute to a good man. Mr. Benny M. Montgomery. Benny was born and raised on the Westside of Chicago, graduated from Farragut High School with honors and attended Roosevelt University where he received a bachelor's degree in Public Administration. Benny was always interested in Public Affairs and started work with Congresswoman Cardiss Collins where he remained for 16 years until she retired. In 1997, Benny began work for and with Congressman DANNY K. DAVIS when he became a legend among social activists, health activist, and especially HIV-AIDS activists. Benny was as solid as a rock, had a very creative mind and used his talents to the utmost. He was a key organizer of the Westside Aids Task Force, worked with other HIV groups such as Howard Brown, the Ruth Rothstein Core Center, did training and Sunday afternoon forums at churches. Ben became the voice and face, the black leader of the fight against AIDS and HIV in the 7th District and citywide. Benny Montgomery,

Mark Loveless, and Michael O'Conner became known as the 3 musketeers in the fight against AIDS. Ben came up with the Red Ribbon Lottery Ticket as a way of raising money for HIV-AIDS awareness organizations whose budgets were 100,000 dollars or less. The first year it generated 1.4 million and the second year 2.4 million. Ben helped create and led the 7th CD Task Force on Fathers and Families. Today it is a full fledged 501 C3 Tax Exempt Organization under the leadership of Rev. Walter Jones. After 31 years of working for the U.S. House of Representatives, Ben retired at the age of 48, but kept working until the Lord ordered his steps to cease on December 13, 2020 at the age of 58, may he rest in peace.

The Bible says that the steps of a good man are ordered by the Lord.

IN HONOR OF BILLIE HOLIDAY'S  
LIFE AND LEGACY

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 23, 2021*

Ms. JOHNSON of Texas. Madam Speaker, I rise today to recognize the extraordinary achievements in the life of Billie Holiday—a gifted vocalist, a dedicated activist, and a cultural icon.

Billie Holiday's story is one of perseverance and resiliency. Born into modest means and harsh circumstances, she suffered through a dark and difficult childhood in the face of poverty, parental absence, and trauma. But it was music—specifically, that of Louis Armstrong and Bessie Smith—that reignited her dimming spark. Through song, she found the uncanny ability to express her pain through her true voice. And what a voice it was.

Amid heightened racial tensions in the 1930s, Billie Holiday introduced a new genre of protest—melody. In her hit rendition of "Strange Fruit," she posed an unapologetic and uncensored challenge to the injustice of lynching of black Americans at one of the darkest moments of history in our nation. Burdened by the weight of the song's message and facing public backlash, she continued to perform and record it to reach a greater audience. Despite the vitriolic backlash, Strange Fruit quickly became the unofficial anthem of the anti-lynching movement and was an early mantra towards the success of the larger civil rights movement.

Madam Speaker, until her passing at only 44 years old, Billie Holiday had already established a legacy that would survive for generations to come. As she fortuitously predicted, her lyrics remain a main stay in modern pop culture. May we be confident in her everlasting influence, because "life dies but forever there will be music."
